Dear Sister

I preſume that you have ſome ſufficient reaſon for not writing to me & ſhall therefore not pretend to blame your conduct till I have heard what it is — I write by every opportunity & ſhould indeed be very glad that you would make a point of doing the ſame — I have but a moments time at preſent therefore cannot enlarge — As I ſhall not be at home till ſummer I ſhall have occaſion for other cloaths than those I now have with me — Be ſo kind as to ſend by Bushnells horse (if you can) my white coat, nankeen jacket & breeches drab breeches & thread ſtockings or any others which I may have forgot--- Make my Duty to my Parents — Love to Brother & Sister & Compliments to all other Friends — — —

from your affectionate Brother
